

FEATURES

Unique contemporary ranch which has been expanded and remodeled!

Situated on pretty lot with mature trees, professionally landscaped and in great community.

Interior freshly painted.

The open floor plan features a wonderful gourmet kitchen with huge island, brick fireplace with wood mantle and eating area.

Additional sitting area and separate laundry/mudroom with plenty of cabinetry.

Beautiful hardwood floors throughout.

Some newer hardwood floors and windows.

Large great room which includes living room and dining room with new windows and French doors that open to two sitting areas.

A great deck with built-in benches and a concrete patio.

Very private backyard with mature trees and landscaping.

The family room/den off the breakfast room has a cathedral ceiling and unique shaped windows.

Beautifully remodeled bathrooms.

All this and a finished basement for lots of family fun.

Award winning schools.
